The ALS Association Georgia Chapter accepts donated Medical Equipment and provides an acknowledgement letter to the donor.

Durable and Reusable Medical Equipment that can be sanitized is accepted and picked up by the DME companies that store and maintain the Georgia Chapter's loaner equipment.

The ALS Association Georgia Chapter will accept:
- Patient Lifts
- Four wheel walkers with seats and brakes (Rollators)
- Transport Chairs
- Power wheelchairs

The ALS Association Georgia Chapter will not accept:
- Bath Equipment
- Lift chairs
- Cough Assist Machines
- Suctions Machines
- BiPap Machines
- Trilogy Machines
- Gait belts, adapted utensils, zipper pulls and button helpers, etc.
- Medical Supplies
- Nutritional Supplements

Communication devices are also accepted as donations for the Georgia Chapter Communication Loaner Program.

Please contact your Care Services Coordinator to arrange for pick up or delivery of the equipment.

For items not accepted as donations that you would like to sell or share with other ALS patients and families please email Kelsey Garrison | kelsey@alsaga.org to have your item listed on the Patient-to-Patient page.
